Newlands Bishop Farm

Introducing... Newlands Bishop Farm the perfect setting for those couples who love the great outdoors, and are looking to create a unique atmosphere and ambience for their wedding, that all those attending will fondly remember.

the perfect setting

Perfectly positioned in the country, but only a few miles from Solihull. During the week Newlands Bishop Farm is a working farm and is part of The Family Care Trust, a charity devoted to helping children and adults with learning disabilities, mental health problems and brain injuries. This is why we are only able to accommodate weddings on Saturdays. All the income generated from weddings goes directly to the development of Newlands Bishop Farm.

Once everyone has gone home The Farm is yours from 4.00pm on a Friday right through to Sunday evening (6.00pm) if required. The cost is £1250 for 2017 and £1750 in 2018.

Some of the project workers return at the weekend and they enjoy helping to make your day special and their involvement is in itself a joy to see. The Farm is a totally customisable space with a large field in which a double linked tipi is already erected. There are also attractive landscaped gardens for pictures and children to explore.

"From the early stages of our wedding planning through to the big day (and post-wedding barbecue brunch!), everything was handled so professionally, and it was lovely to work with such friendly people - it made our day so chilled and we didn't have to worry about a thing! The Farm itself is gorgeous, and we have some beautiful photos from wandering around the gardens, and even in front of the wood store!"

Michael and Rhianna Swancott - Married June 25th 2016

Whatever style of wedding you are planning Newlands Bishop Farm is all about originality, individuality and uniqueness. We invite you to come and visit The Farm, have a look round and get a feel for the place and discuss how you can weave your vision of your wedding into our rural setting.

planning your day

No two of our weddings are ever the same such is the magic of Newlands Bishop Farm, a flexible back drop for you to fill as you require – which really does mean your special day genuinely is your very own special day.

Your exclusive use of The Farm gives you:

- Access to the main farm building which includes toilets, services, electricity, large function room plus two smaller rooms and ample free car parking. Use of the attractive garden area with BBQ/pizza oven and decking off the main building
- The large field in which The Little Tipi Company will have erected (April to September) their striking double linked tipis, complete with flooring, dancefloor, lighting, tables, benches and chairs. We are working exclusively with them as their tipis are amazing and extremely good value (£4,000 for the weekend). You can decorate both the tipi and the main building however you want, as long as it is returned back to its original state for Sunday evening. Access for decorating the tipi is from Wednesday of the week of your wedding

- For games, photographs and to keep the children occupied, there are extensive landscaped gardens which include: a cottage garden, a recycled garden, woodland, an orchard and a large walk-in sandpit for children to play in!

The following can be provided at additional cost:

- Licence extension to midnight (Saturday night only) for the bar and music (£200)
- Extra project workers for clearing tables and the tipis (£150) per person
- Large fire pit and logs for the evening (£80)
- Marshmallows/smores with sticks (£30)
- Straw bale couches with home grown Jacob's sheep skins (£50) per couch
- Cake stands (£80)
- Giant wooden games eg Jenga, Connect Four, Croquet (£30) per game
- Wooden crafts and favours made by the project workers in our workshops

We recommend that you take out insurance to cover the cost of your wedding in case high winds preclude the use of the tipis.

The Bishops Bar

We currently have a permanent license for alcohol and recorded/live music on a Saturday (but Sundays could be considered under a Temporary Event Notice). We are responsible for the bar (we will staff it with project workers, these costs are covered through the sale of drinks, we don't charge a fee for this service). Table/reception drinks or charge corkage at £5/bottle (wine), £7/bottle for sparkling wine (corkage for other bottles can be supplied if need be). Prices for beer/wine/spirits are shown opposite.

Payment Terms

A deposit of 30% of the cost, including tipi hire secures your booking with the remainder due three months before the wedding. Any extras will be invoiced one month after the wedding. In the event of a cancellation 50% of the deposit is refundable if there is more than one year until the event, anything under one year is non-refundable.

The bar and music can be open from 12 noon until 11pm although we can apply for an extension until 12 midnight. There is no camping on site so everyone has to leave the premises, however you are more than welcome to use the facility on the Sunday to have a BBQ party or meet people for food etc. The site is yours for the weekend so most people decide to come back the following day for another get together with all their friends and family who have stayed overnight locally.
